## **BOOP!**

Please welcome to the stage, LIVE for the first time ever...BETTY BOOP! That sassy-sweet champion of empowerment, that spit-curl icon of joy, that songstress of strength comes alive in BOOP!, the new Broadway-bound musical-comedy extravaganza that's fun for the whole family. Tony Award®-winning director/choreographer Jerry Mitchell (Kinky Boots, La Cage aux Folles, Hairspray) brings Fleischer Studios' Queen of the Screen to the theater For almost a century,

Betty Boop has won hearts and inspired fans around the world with her trademark looks, voice, and style. Now, in BOOP!, Betty's dream of an ordinary day off from the super-celebrity in her black-and-white world leads to an extraordinary adventure of color, music, and love in New York City—one that reminds her and the world, "You are capable of amazing things." Boop-oop-a-doop!

## **OPERATION MINCEMEAT**

It's 1943, and the Allied Forces are on the ropes. Luckily, they've got a trick up their sleeve. Well, not up their sleeve, per se, but rather inside the pocket of a stolen corpse. Equal parts farce, thriller, and Ian Fleming-style spy caper (with an assist from Mr. Fleming himself), *Operation Mincemeat: A New Musical* tells the wildly improbable and hilarious true story of the covert operation that turned the tide of WWII.

## **SMASH**

*Smash*, inspired by the hit TV show, is finally coming to Broadway! A hilarious behind-the-scenes rollercoaster ride about the making of a Marilyn Monroe musical called *Bombshell*, it's got all the iconic songs, kick-ass choreography, and backstage pandemonium that make Broadway the beloved institution it is today

The production will also be helmed by five-time Tony Award® winner Susan Stroman, and feature a score by Tony, Emmy®, and Grammy Award®-winning duo Marc Shaiman and Scott Wittman, who wrote over two dozen songs for the television show (many of which will be heard in the musical), a book by Rick Elice and Bob Martin (Tony winner), and choreography by Joshua Bergasse.

## **MAYBE HAPPY ENDING**

Inside a one-room apartment in the heart of Seoul, Oliver lives a happily quiet life listening to jazz records and caring for his favorite plant. But what else is there to do when you're a Helper-Bot 3, a robot that has long been retired and considered obsolete? When his fellow Helper-Bot neighbor Claire asks to borrow his charger, what starts as an awkward encounter leads to a unique friendship, a surprising adventure, and even...love
